**Conclusion:** The Alumni Interaction Session was a resounding success, fulfilling its objective of inspiring students and fostering a deeper connection with alumni. We extend our heartfelt gratitude to today's alumni's for his valuable time and insights and look forward to organizing more such enriching events in the future. Finally the alumni students extend their heartfelt thanks to our Principal and Management.

Our alumni addressed the key responsibilities of engineers in software industries. The various steps and courses involved in getting a bright career in engineering field are explained for the students. Also, they delivered about how the present scenario is there in industry. Finally, valuable guidance is given for the students who interacted after the completion of his talk. In this Alumni interaction program, Mr.C. Sasikumar co-ordinator of Alumni cell appreciated the alumni's for his useful presentation and also career guidance for the students.
